LongStay Cyprus is a lifestyle for anyone who wants to hit pause and immerse themselves somewhere new, warm, culturally-rich, and picturesque.

Why choose LongStay Cyprus?

Think *"Eat, Pray, Love"*. Imagine spending a few months: visiting centuries-old monuments and ruins, travelling to nearby locations in Egypt, Lebanon, Jordan, Israel, Turkey, and Greece, tasting different cuisines, learning the local languages. LongStay Cyprus is more than a long stay holiday, it is a *lifestyle*.

Who We Are?

Our founders, Ahmet and Franz, having spent the majority of their lives living in Europe, decided to relocate to Cyprus. A decision that neither have regretted given the fantastic quality of life prevalent in Cyprus. So it became their mission to launch LongStay Cyprus as a way to let other Europeans enjoy these benefits.

Franz has 13 years of experience creating and leading excursions both in Cyprus and in the Eastern Mediterranean. He has often been referred to as a "Wikipedia-on-legs" when it comes to his knowledge of the region. On the other hand, Ahmet is a Cypriot by birth, and grew up playing football and cycling around the streets of the walled city of Nicosia. Thus, you are in very capable hands when it comes to living, breathing, and experiencing the local culture.

LongStay Cyprus is developed and brought to you by FSA Travel, a new and innovative tourism company that operates in both the North and South of Cyprus. We believe that our differentiating factor is our expertise to offer you a lifestyle that encompasses the whole island of Cyprus, allowing you to immerse yourself in both Turkish and Greek local customs. Additionally, our accommodation options are in North Cyprus, allowing us to offer you lower prices due to comparatively lower cost of living.

The local Cypriot cuisine is greatly influenced by the local organic ingredients grown in the island. The markets offer an incredible variety of fruit and vegetables. The specialties of the island include the "grilled cheese" Haloumi, the wild asparagus and the excellent olive oil. And for meat lovers, there is of course the famous kleftiko, butter-soft lamb from the clay oven, which is best paired with Cypriot wine from the Troodos Mountains.
